

**INSTRUCTIONS: Please remove and replace text marked red or yellow, for the joint DS to reflect the partnership for the Unite! joint programme.**

**Joint Diploma Supplement for the Erasmus Mundus Joint Master Degree programme (*programme abbreviation*) – Master’s Programme in (*please, state the complete name of the programme*)**

The two-year full-time Master’s degree programme (*programme abbreviation*) - Master’s programme in (*please, write the complete name of the programme*) is jointly delivered by a consortium of X (*write the number in letters of the universities in the consortium*) universities:

**Please remove the universities NOT included in this Joint Master programme.**

Aalto Korkeakoulusaatio Sr (Aalto) in Finland, Institut Polytechnique de Grenoble (Grenoble INP-UGA) in France, Kungliga Tekniska högskolan (KTH) in Sweden, Politecnico di Torino (PoliTO) in Italy, Technische Universität Darmstadt (TUDa) in Germany, Technische Universität Graz in Austria, Universidade de Lisboa (ULisboa) in Portugal Universitat Politècnica de Catalunya (UPC) in Spain, Politechnika Wroclawska, Poland.

**The joint programme has been selected and is supported with funding from the European Union’s programme Erasmus+ Erasmus Mundus Joint Masters (EMJM).** This Joint Diploma Supplement serves as information regarding the content of the joint Master Degree programme as is provided to students upon successful completion of the study programme. Completion of the joint study programme leads to multiple degree certificates officially awarded by the universities specified in this Joint Supplement. The national degree certificates are to be officially issued by the authorized institutions and awarded to the student together with the national Diploma Supplement as stipulated in the national legislation for higher education.

*In case of joint degrees, replace the text above to:*

**The joint programme has been selected and is supported with funding from the European Union’s programme Erasmus+ Erasmus Mundus Joint Masters (EMJM).** This Joint Diploma Supplement serves as information regarding the content of the joint Master’s Degree programme as is provided to students upon successful completion of the study programme. Completion of the study programme leads to the qualification being officially presented in a single joint degree diploma awarded by the universities specified in point 3.2 below.

This Joint Diploma Supplement follows the model developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the supplement is to provide sufficient independent data to improve international “transparency” and fair academic and professional recognition of qualifications (diplomas, degrees, certificates etc.). It is designed to provide a description of the nature, level, context, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended. It should be free from any value judgments, equivalent statements or suggestions about recognition. Information in all sections should be provided. Where information is not provided, an explanation should be given the reason why.

1. INFORMATION IDENTIFYING THE HOLDER OF THE QUALIFICATION
  - 1.1. Family name:
  - 1.2. Given name:
  - 1.3. Date of birth (day/month/year):
  - 1.4. Student identification number or code if available:
  - 1.5. University 1 identification:
  - 1.6. University 2 identification:

## 2. INFORMATION IDENTIFYING THE QUALIFICATION

### 2.1. Name of qualification and (if applicable) title conferred (in original language):

Upon completion of the joint study programme, the student is entitled to be awarded multiple degree certificates (i.e. two national qualifications awarded by two universities of the Consortium, depending on the mobility track.) Each university is responsible for the issuing of the degree certificate with regards to their national legislation.

The student is entitled to be awarded the following qualifications:

*In case of joint degree, replace the text above to:*

Upon completion of the joint study programme, the student is entitled to be awarded a joint degree certificate, attesting the qualifications of the degree-awarding universities.

**Choose according to the setup for the joint programme:** The joint degree certificate is signed by the presidents of the degree-awarding universities. (or)  
The joint degree certificate is signed by the president of X university on behalf of the consortium presented in 2.3 below. (If this is the case, it must also be clearly stated in the consortium agreement.)

The student is entitled to be awarded the following qualifications:

**Delete the qualifications not eligible for the partnership.**

Name of qualification in original language from Aalto University: Diplomi-insinööri

Name of qualification in original language from Grenoble INP-UGA: Master of (name of specialization)

Name of qualification in original language from KTH: Teknologie Masterexamen

Name of qualification in original language from PoliTO: Laurea Magistrale

Name of qualification in original language from TUDa: M.Sc. Master of Science/ M.A.: Master of Arts

Name of qualification in original language from TU Graz: Dipl.-Ing. or DI (= Diplomingenieur\*in) or MSc (Master of Science)

Name of qualification in original language from ULisboa: Mestrado

Name of qualification in original language from UPC: Máster Universitario

Name of qualification in original language from Wrocław Tech: Magister/ Magister inżynier (Master level)

### 2.2. Main field(s) of study for the qualification: (study field or discipline)

### 2.3. Name (in original language) and status of awarding institution: Awarding institutions are:

University 1: (name) University 2: (name)

Belonging to a consortium out of (write the number in letters of the universities in the consortium for the joint programme and remove the universities not part part of the joint programme.) X universities:

Aalto Korkeakoulusaatio Sr in Finland, Institut Polytechnique de Grenoble in France, Kungliga Tekniska högskolan in Sweden (state higher education institution with status of university) Politecnico di Torino in Italy, Technische Universität Darmstadt in Germany, Technische Universität Graz in Austria, Universidade de Lisboa in Portugal, Universitat Politècnica de Catalunya in Spain, Politechnika Wroclawska, Poland.

Name (in original language) and status of institution (if different from 2.3) administering studies: Not applicable.

unite!

Technology and Engineering

Co-funded by the  
Erasmus+ Programme  
of the European Union

2.4. Language(s) of instruction: English.

### 3. INFORMATION ON THE LEVEL OF THE QUALIFICATION

3.1 Level of qualification: Second-cycle university degree, Master's level. For more information on higher education systems, please see the national diploma supplements awarded to the student.

3.2 Official length of programme: Two years, 120 ECTS credits.

3.3 Access requirement(s): Admission criteria to the programme is a high-quality Bachelor of Science/Bachelor of Arts degree or equivalent studies encompassing a minimum of 180 ECTS credits in *name of disciplines* (e.g., Engineering, Computer Science, Information technology, Business administration etc etc).

### 4. INFORMATION ON THE CONTENTS AND RESULTS GAINED

4.1. Mode of study: Full-time equivalent. Mobility is mandatory for completion of the joint programme.

4.2. Programme learning outcomes: At the end of the programme the students have achieved the learning outcomes:

- nnnnnnn
- nnnnnnnn
- nnnnnnnnnn
- nnnnnnnnn
- nnnnnnnn
- nnnnnnnnn

4.3. Programme details (e.g. modules or units studied), and the individual grades/marks/credits obtained: See course list or transcript of records provided together with the degree certificates.

Year 1: *Name of University*

Year 2: *Name of University*

**or depending on the programme structure**

Semester 1:

Semester 2:

Semester 3:

Semester 4:

4.4. Grading scheme and, if available, grade distribution guidance: See course list or transcript of records provided together with the degree certificates.

4.5. Overall classification of the qualification (in original language): Aalto: With honours (erinomaisesti) Grenoble INP-UGA: KTH: Not applicable for Swedish qualifications PoliTO: Titolo conseguito in data GG/MM/AAAA con votazione .../110. Il voto finale va da 66 a 110 e lode. UPC: ULisboa: TUDa: TU Graz: Wroclaw Tech:

### 5. INFORMATION ON THE FUNCTION OF THE QUALIFICATION

5.1. Access to further study: The degrees awarded for the joint programme give access to doctoral studies, third cycle.

5.2. Access to professional status (if applicable): *Please complete if any partner has something relevant here.*

### 6. ADDITIONAL INFORMATION

6.1. Additional information: *(write the name of the University coordinating the programme)* is coordinating university for the joint programme. Any question regarding this joint diploma supplement is addressed to the programme coordinator. Further information on the joint programme and contact details are found at the programme website: *(link of the website)*
